Step 5: Choose College Preferences

- Read the instructions carefully to **fill choices of colleges and branches.**
- After that click on the button marked below.

The screenshot shows the 'Instructions for fill-choice' dialog box with the following text:

1. The "Fill-Choices" option allows you to enter your selections. Press the **+ Add** button after choosing the Institute or branch from the select boxes. Then, use the **⬆ Down** and **⬆ Up** buttons to set your priority and the **✖ Delete** button to remove a choice. Finally, press **Save & continue →** to save your selections.
2. There are 9 number of branches and 7 number of institutes, with a total combination of 31 choices. Depending on your choices, you can choose as many institutions as you like.
3. Adding more institutions to your list can boost your chances of being admitted.

Below the dialog box, a blue button labeled "I have read all the instructions carefully" is highlighted with a blue arrow.

- Add **Colleges & Branches** as per your choice and set the preference order of the same as shown in the instructions.
- After that click on the **Save & Continue** button marked below.
